

Directions to the Trafford Park site

Arriving by train:

Axion Polymers is approximately a 15 minute journey by taxi from Manchester Piccadilly railway station.

Arriving by road:

The address is Tenax Road, Trafford Park, Manchester **M17 1JT**. Please look at the photographs on page 2 for details of the site entrance.

Directions:

Axion Polymers is located on the site of S Norton and Co Metal Recyclers. Sat Nav will take you to the dual carriageway of Tenax Road. The site is halfway along this road, between two large roundabouts.

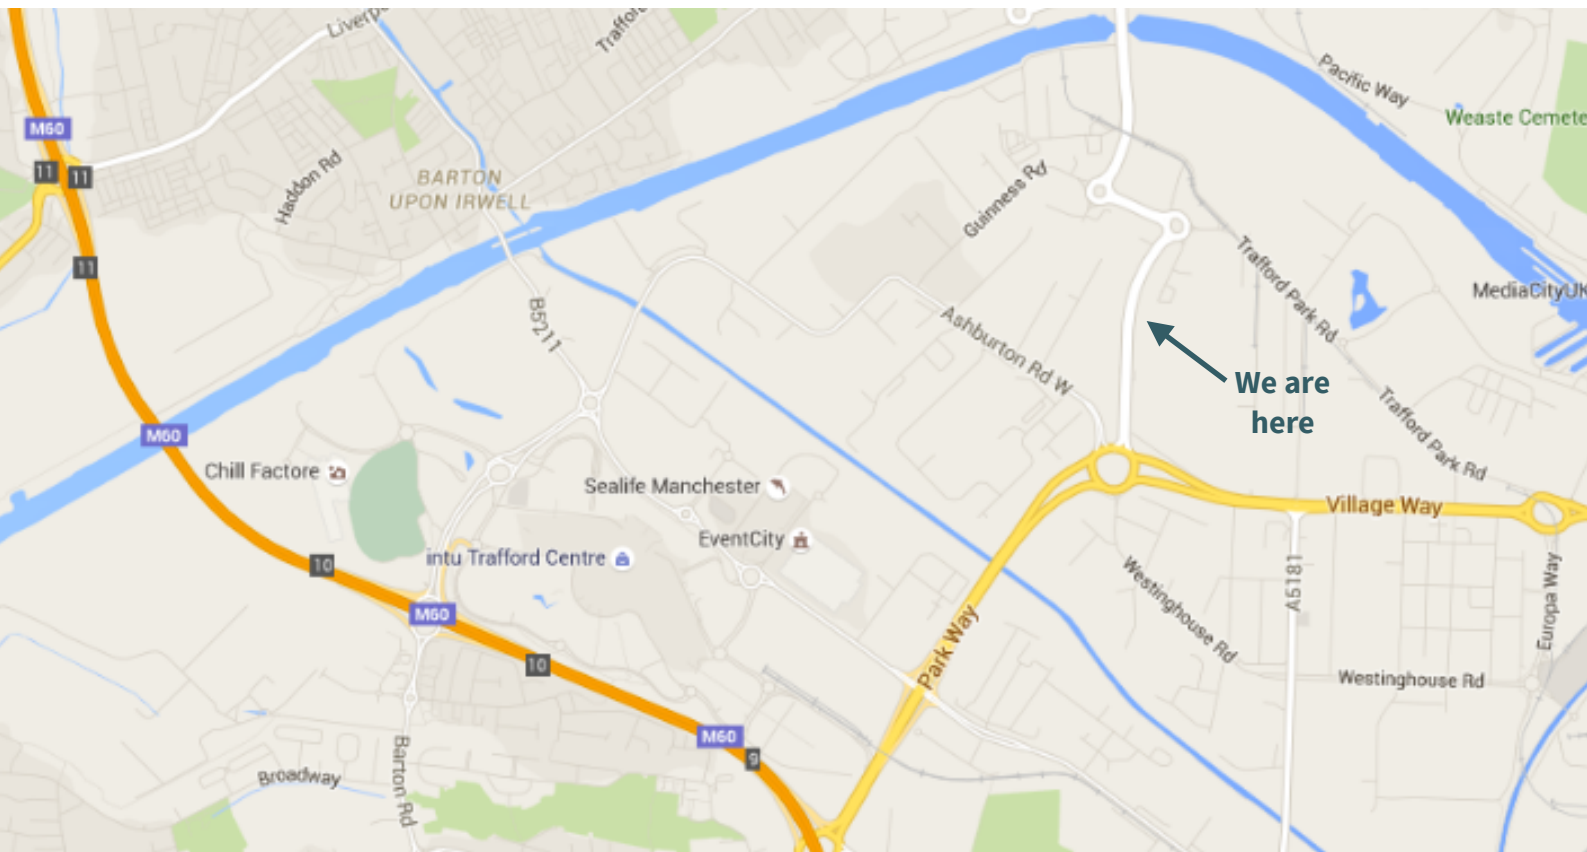

Look out for Axion's new recycling building with the mural and the S Norton and Co sign on the side (photo on page 2). You will see the smaller Axion Polymers sign at the entrance to the site.

Parking:

Turn into the main S Norton/Axion entrance and park in the car park immediately on the right hand side (photo on page 2).

Offices:

Walk up the right hand side of the main site access road on the green pedestrian walkway, about 60m. The entrance to the offices is set back on the right hand side, just before the access road opens out into the main recycling yard. Press the buzzer on the door and someone will come down and meet you.

Tel: +44 161 871 8590 or +44 7710 095748

Look out for the mural next to the site entrance
