

JOB VACANCY - HSEQ MANAGER

A fantastic opportunity to join a fast growing and innovative company within the recycling industry and part of the S Norton & Co Ltd group. Axion are at the forefront of recycling technologies and seek an energetic and passionate individual to manage the ISO9001 and ISO18001/45001 systems for both sites in line with company HSEQ strategy.

Location: Trafford Park (base), Salford and other locations as required.

Working hours: 43.75 hours per week

Principal duties:

- Manage and implement the company HSEQ strategy as agreed at Board level.
- Develop, review and monitor HSEQ objectives and targets in line with the strategy.
- Act as the primary contact for third party's certification body for ISO standards.
- Responsible for developing, promoting and monitoring the HSEQ culture by promoting a safe working ethic within the organisation.
- Maintain our current certified Management systems (ISO9001 and OHSAS18001) to ensure all activities at the SWAPP and at Axion Polymers Salford can be conducted safely.
- Transition to ISO45001 safety management system at both sites.
- Ensure we are aware of, apply and manage all relevant legal and regulatory compliance responsibilities and the organisation and contractors conform to all company and legislative requirements of the Health and Safety Executive.
- Manage a capable environmental management system for both the SWAPP and Axion Polymers Salford that ensures compliance with the waste management permits at each site.
- Provide Senior Management with metrics to help them manage HSEQ within the business.
- Manage the HSEQ Assistants and be a point of contact for the safety reps at each site.
- Assist Site Managers with areas of risk and develop measures to reduce and control.
- Identify initiatives to improve performance and assist in addressing areas of poor performance.
- Promptly alert line and functional management to significant accidents and incidents.
- Manage the process for internal and external quality concerns.

Knowledge and experience:

- NEBOSH diploma
- Educated to degree standard or equivalent professional qualification in a related subject
- Member of a relevant professional institute / chartered status (desirable)
- Computer literate with strong MS Office Word and Excel skills
- Ability to communicate effectively in both written and oral form
- Analytical and strategic
- Positive, can-do attitude and self-motivated
- Well organised and work well under pressure
- Problem solving skills
- Excellent interpersonal skills
- Ability to implement change
- Full, clean driving licence
